FINANCIAL ASSISTANCE OPPORTUNITIES

*****Tuition Assistance Service Contract (TASC):** When each household agrees to serve 35 hours in school-related tasks approved by the school administration, those hours translate into a \$350 tuition assistance credit applied directly to the school bill. This is one of the ways CCS partners with parents to make tuition as affordable as possible while fostering a collaborative atmosphere with all families engaged in the school community. For additional information, please refer to the Parent/Student Handbook – TASC section.

- **Family Referral Credit:** Introduce a new family to CCS! After their first semester of full-time enrollment, *both you and the new family* will receive a \$500 tuition credit toward the *second semester's tuition*.
- **Need-based Financial Assistance:** We want to make Christian education accessible for your family! Financial Aid may be available for qualifying families. Funds are limited so applications should be made early. **Apply by May 1 for the best opportunity to receive aid.** This program is based on household income, debt-to-income ratio, number of students enrolled, household assets, etc.
