

THE EAGLE EYE

PRESCHOOL 3'S AND 4'S; K-12TH GRADE

ALL SCHOOL WORSHIP

Quarterly we meet and have a time of worship with all of our K-12 students. What a wonderful time of singing worship songs for all ages.

WHY BONDING TIME IS THE BEST TIME

High School Retreat is always a great time for students to bond, rekindle old friendships from the previous school year, and create new friendships for years to come. SpringHill Camp for three days is a great way to start the school year! Our theme for this year is **"Refined"**. I Peter 1:6-7; "In all this you greatly rejoice, though now for a little while you may have had to suffer grief in all kinds of trials. These have come so that the proven genuineness of your faith-of greater worth than gold, which perishes even though refined by fire-may result in praise, glory and honor when Jesus Christ is revealed."

OUR MISSION:

Partnering with parents to equip students for personal excellence and the pursuit of God's purpose for their lives.

CHRISTIAN SCHOOLS

FROM THE INTERIM HEAD OF SCHOOLS

Abigail Adams once said, "Learning is not attained by chance, it must be sought for with ardor and attended to with diligence." I couldn't agree more! Those qualities honor God as we steward the resources He has given CCS.

Learning is not a passive process, but one in which everyone must be engaged- student, teacher, and parent. Ardor means enthusiasm, and it doesn't take long to see that our teachers bring a high level of enthusiasm to their classes. As I spend my time in our classrooms and hallways, offices and gymnasium, one of the things that most stands out to me is the high level of mutual engagement from all involved. Learning is a pursuit; it takes work. At CCS, we roll up our sleeves and dig in. We suss out. Our teachers have cultivated safe places for students to explore, enquire, discover, and create. Diligence means effort- careful and persistent. Our students exemplify the diligence Mrs. Adams praised. They work hard on their own, in pairs, in groups, and on teams. Then they go home and they work hard with their parents, or into their churches and community, where they also work and serve. We should be proud of the ardor and diligence evident in each student, teacher, staff member, family member, and volunteer. I know I am!

ELEMENTARY VETERANS DAY CONCERT

Thank you to our music teachers for putting together this wonderful program celebrating our veterans and their sacrifices for our freedoms in our Country. It was a pleasure to have our grandparents and grand friends in the building for this event. They give so generously to Christian education.

CLASSES WITH INTEGRATED BIBLICAL WORLDVIEW AT CCS WEAVING FAITH INTO CONTENT

"By faith we understand that the universe was created by the word of God, so that what is seen was not made out of things that are visible." (Hebrews 11:3) From complicated mathematical equations to carefully constructed paragraphs, from clearly sung notes to hand-crafted pottery, our students learn that while our creativity is a reflection of God's character, the only One to create something from nothing is our Creator God by the power of His word. At CCS, it is our privilege and priority to glorify God in every class and every subject, recognizing that "all things were made through Him, and without Him was not anything made that was made." (John 1:3)
