\$500 Tuition Credit

Since 2003, the CCS **Family Referral Credit** Program has served as an incentive for families to do what they do best - share the good news about Calvary Christian Schools with your friends, neighbors, and other families you know.

The Family Referral Credit Program offers a \$500 Tuition Credit to any **CURRENTLY ENROLLED** referring family and to the family they've referred. Both families will receive a \$500 credit to apply to their tuition bill for the second semester of the new family's enrollment. It is that easy!

This is our way to say thank you! We understand that **YOU** are the best advertising our school could ask for because you have experienced first-hand the value of a Calvary education.

Share this with someone today and become an ambassador for Calvary Christian Schools!

Who do you know

the difference of a
Calvary Education?

*We appreciate that families share many connections outside Calvary Christian Schools. In the instance of multiple families referring the same prospective family, we commit to fair and amicable application of the tuition credit.
